Hi Fred: I am sorry to impose, but Eric P. Newman wants to get in touch with Gene. If you don't feel comfortable sharing that information (assuming you might have it), it would be fine to either send it directly to Eric or let Gene know Eric wants to ask him a couple questions. Eric's contact info is [REDACTED] or [REDACTED]. If you don't remember, I am the curator for Eric's Newman Money Museum. Thanks for any help you can us.

Dear Gene:

When you were at the Mercantile Bank in St. Louis long ago you prepared a detailed list of all of my paper money. This covered separately each State, the Confederate States, US notes, etc. This has been very useful over the many years since. I still have every list except the State of Connecticut. I even have duplicate copies you prepared in all other instances. Is it possible in your Archives that you might have retained a copy of the State of Connecticut list and could send me a copy. I would be very appreciative.

From all I read about you in the press and the extensive use of your books I know that respect for you and your research continues and that you remain in good shape. I am now almost 102 but cannot walk because of my inability to balance. I am hopeful that I retain some of my marbles.

If you need any copies of lists you prepared for me (except Connecticut) you are welcome.

My telephone is [REDACTED] My address remains 6450 Cecil Ave., St. Louis MO 63105 and Email is as above>

My very best to you and may 1013 and beyond permit you to continue to thrive. Eric

Hello Eric:

It was wonderful to hear from you and to know that you remain in good health. I remain in good health with a few exceptions that go with people my age, 85 in a few months (ten years older than you were when I moved to St. Louis). I must admit that I have not done any serious research in a while. I wish I had your continued enthusiasm.

I'm sorry to say that I did not make personal copies of anything I compiled from your collection. I can't explain why a list of Connecticut notes is missing. I probably overlooked it somehow.

I have fond memories from my time in St. Louis and my time at the Mercantile Bank Money Museum. Stay well and as my father always said, I hope you live forever and I never die.

Sincerely,

Gene
